"Because we are interested in promoting wellness, we will integrate medicine with performing arts, arts and crafts, agriculture, recreation, nature, and social service."

-- Dr. Patch Adams
"Understanding how DNA transmits all it knows about cancer, physics, dreaming and love will keep man searching for some time."
-- David R. Brower
"Medical science has proven time and again that when the resources are provided, great progress in the treatment, cure, and prevention of disease can occur."

-- Michael J. Fox
"Even though I'm not running anymore, we still have to try to find a cure for cancer. Other people should go ahead and try to do their own thing now."
-- Terry Fox
"Oh, my friend, it's not what they take away from you that counts - it's what you do with what you have left."
-- Hubert Humphrey
"When you reach the end of your rope, tie a knot in it and hang on."
-- Thomas Jefferson
"Although the world is very full of suffering, it is also full of the overcoming of it."
-- Helen Keller
"I think it's important for me as an actor that I say these are the issues I'm going to be committed to. One of them for me is women and children's health around the world and their rights; the other is ovarian cancer."
-- Nicole Kidman
"We must accept finite disappointment, but we must never lose infinite hope."
-- Martin Luther King, Jr
"It's not the years in your life that count. It's the life in your years."
-- Abraham Lincoln
“Just can’t live that negative way...make way for the positive day!”
-- Bob Marley
